### BUILT BY COMMUNITY, FOR A BETTER US.

A group of dedicated community members who believed in the importance of offering opportunities to youth and families in our community brought the spirit and philosophy of the YMCA to Shasta County nearly 75 years ago.

On July 17, 1946 the first official charter of what is now the Shasta Family YMCA was created.

As we look forward to continuing to grow healthy communities, we honor the history of the founding of our YMCA through the 1946 Society.
