LAND CLASSES

CARDIO BASED CLASSES:

INDOOR CYCLING: Improve cardio fitness while you tour flat roads, climb hills, sprint and race through varied terrain in this self-paced cycling workout.

RHYTHM RIDE: Ride to the beat of the music in this fast paced indoor cycling class! Instructors use strength conditioning moves and weights to work your upper body, while your legs are getting a workout with a challenging ride.

ZUMBA: Routines feature interval training where fast and slow rhythms are combined to sculpt the body, burn fat, and make exercising fun.

ZUMBA GOLD: The same amount of fun as regular Zumba, with low impact on your joints!

STRENGTH & CARDIO COMBO CLASSES:

ENHANCE FITNESS: A senior fitness and arthritis management program that is specifically designed to help improve your strength, mobility, balance and flexibility. Class meets three times a week and is a paid program. This is a national program, certified by the CDC.

FIT HAPPENS: High energy whole body conditioning combining strength, cardio, upper body, and core.

HIFT INTERVALS: High Intensity Functional Training. This interval class will increase your cardio endurance, tone and burn calories with fun and fast-paced boot camp style exercises.

HIIT IT!: High Intensity Interval Training at it's best; fast paced circuit workout incorporating weights, core training, and cardio to increase speed and power.

ROCK BOTTOM: Are you ready to transform your lower body? This unique lower body conditioning class will help you build strength, endurance, and flexibility. Class focuses on the legs, glutes and those "hard to reach" places.

SENIOR FITNESS: This class combines warm ups and full body exercises followed by standing core work and ending with balance and a cool down. It is perfect for the senior population, those with previous injuries, new to exercise, or needing low impact.

STRENGTH TRAIN TOGETHER: A results driven weight lifting class using a barbell, plates, and bodyweight. Get ready to gain muscle, increase movement, maximize your balance, and have fun!

TABATA: Get ready to sweat! Increase your cardio endurance and burn calories in this fun, fast paced, high intensity interval class. Interval moves will be alternated with periods of rests. Recommended for the intermediate to advanced exerciser.

WOMEN'S HEAVY LIFTING: Gain muscle and improve your shape and curves! This class is different than most group classes. Rather than doing a lot of reps with light weights, this class the participants lift heavy weights for fewer reps. Recommended for the intermediate to advanced exerciser.

YOUNG AT HEART: A class for the over fifty set! Cardio, conditioning, strength and balance training included!

MIND/BODY CLASSES:

BUTI YOGA: Sculpt your full body with this fast paced yoga practice fused with plyometrics, dynamic movement, and deep core engagement! Suitable for teens and intermediate to advanced exerciser.

GENTLE OR BEGINNING YOGA: A less intense class, useful for those who are not as flexible or new to yoga.

PILATES: Experience this unique body conditioning routine that seeks to build flexibility, strength, endurance, and coordination; will sculpt and strengthen the core.

POWER YOGA: A vigorous, fitness-based approach to Vinyasa-style yoga focused on flexibility and strength. Recommended for the intermediate to advanced yoga student.

PRENATAL YOGA: Designed for pregnant mamas, to ease the strain of pregnancy and prepare you for birth and healing well after your pregnancy.

SENIOR STRETCH: Simple stretches and exercises using a chair for support and stability. Low impact movement and guided relaxation. Great for those with limited mobility.

YOGA: Our general yoga class helps improve flexibility, strength and balance while enhancing your posture, coordination and mental focus and is open to all fitness levels.

YOGA/PILATES: Merging yoga and pilates together to help you develop core strength, tone muscles, increase flexibility, and help reduce stress.

WATER CLASSES

AQUA AEROBICS: An energetic and invigorating class that combines aerobics, strength and flexibility training for a total body workout.

AQUA ARTHRITIS: This program includes exercises to improve the participant's overall function and performance of daily tasks, mobility, gait, flexibility, balance and coordination. Low intensity endurance such as walking is included to prevent chilling.

AQUA HIIT: a 45 minute class with challenging intervals to raise your heart rate, increase your endurance, and improve your strength.

AQUA PILATES: This class relies on the resistance, buoyancy, and gentle movement of water to stabilize core muscles, increase flexibility, balance and strength.

AQUA ZUMBA: Aqua Zumba makes exercising seem like a pool party! Using mostly Latin music rhythms such as merengue, cumbia and salsa, Aqua Zumba incorporates dance and fitness moves and makes it fun for anyone who wants to exercise in the water.

H2O POWER HOUR: Discover an invigorating and energetic aqua aerobics class! This extraordinary class will challenge your cardiovascular endurance levels and includes emphasis on muscular conditioning. (Interval training is incorporated into Thursdays' class with 4:1 cardio/active rest intervals). This class is recommended for intermediate to advanced participants.
