## About Our Staff:

The trained child care staff strive to meet your child's developmental needs, as well as being organized, creative, energetic and able to manage children in group situations. All staff are cleared through the Criminal History and Child Abuse Index. In addition, most staff members have college degrees and are certified teachers.

Afterschool staff provide an atmosphere of trust and security by helping the children to build self esteem and to solve problems. We will act as facilitators by actively listening, offering praise and by being consistent in a nurturing and positive manner. The staff recognizes children as individuals who are respected and taken seriously. Children are encouraged to verbalize their feelings.

The YMCA child care staff consistently strives for and maintains these standards to provide excellent care by focusing on the YMCA four core values: Caring, Honesty, Respect, and Responsibility.

## **ENROLLMENT POLICIES**

1. Meet with YMCA child care staff for enrollment and pre-admission information. The YMCA cannot enroll your child the same day your registration packet and payment are received.
2. All children must meet the residency requirements for their school district.
3. Parents of children with special needs must call the YMCA to see if the program is an appropriate placement for their child.
4. YMCA Financial Assistance is available for families who qualify. We also accept most alternative payment programs.
5. To confirm registration, please return the enrollment forms to the YMCA office. On the cover sheet, indicate your child's starting date and days of planned attendance for the first week. Also, please include the registration fee and the first week's tuition. Upon receipt of the above items in the YMCA office, your child's enrollment is confirmed.  
*(You will not be contacted by the YMCA unless there are questions regarding your enrollment.)*
6. Scholarship and third party payment arrangements must be made and confirmed prior to attending the program. If the third party agency does not agree to full payment for Child Care services as set by the YMCA, the parent/guardian is responsible for the remaining fee.
7. Two weeks notification of withdrawal along with payment for those weeks, is required when the child care site is maintaining a waiting list for enrollment.
8. When you withdraw your child, another child will fill your vacancy. A vacancy cannot be promised upon your return.
9. Children on the waiting list for vacancies will follow chronological order.

## **Visitation Policy**

All YMCA afterschool programs have an OPEN DOOR parent visitation policy; parents may visit at any time. However, care must be taken so that the parent doesn't interfere with implementation of the program. Parents must remember that when at the YMCA afterschool site, our program is governed by the State Department of Education and the following behaviors will not be tolerated:

- Inappropriate behavior or language.
- Use or evidence of use of Drugs, Alcohol, or Tobacco products.
- Display of rude or disrespectful conduct directed to staff or children.
- Use or threat of corporal punishment towards children.

## **PERSONAL RIGHTS**

Each child shall have personal rights, including:

- ~ Dignity in personal relationships with staff.
- ~ A safe, healthful, comfortable environment.
- ~ To be free from corporal punishment.
- ~ To be informed (or have parents be informed) of the mechanism for complaints.

# **CHILD CARE POLICIES**

*(Complete policies are included in the child care enrollment packet.)*

1. The enrolling parent is responsible for informing the Site Director and Y office of any change in the child's attendance schedule, address, phone, work, or emergency telephone numbers, etc.
2. The Y office must be notified before the end of each week your child is absent due to custody reasons.
3. Parents are to walk their children into the classroom and sign them in upon arrival and out upon leaving. (On school days, children coming directly from school dismissal will be signed in by child care staff.)
4. We require prior notification if your child is to be absent for any reason. Two weeks notification of withdrawal, along with payment for those weeks, is required when the child care site is maintaining a waiting list for enrollment.
5. If a child does not attend school due to an illness or suspension from school, he/she may not attend the YMCA afterschool program.
6. The center will close promptly at 6:00 pm. In the event we cannot reach you or an authorized person by 8:00pm, the Shasta County Child Protection Services will be called.
7. In the event your afterschool site must be closed due to inclement weather, you will be notified. If your child's school is closed, so is the afterschool program.
8. Nutritious snacks are provided daily. Please advise us of any special dietary needs on the forms provided. Lunches are not included in the weekly fee.
9. The YMCA is not responsible for items brought from home.

## **BEHAVIOR MANAGEMENT PROCEDURES**

It is our goal to provide a healthy, safe, and secure environment for all Prime Time Y participants. The YMCA teaches the core values of caring, honesty, respect, and responsibility. Children attending the program are expected to follow the behavior guidelines and interact appropriately in a group setting.

### **PROGRAM BEHAVIR GUIDELINES:**

- We will **CARE** for ourselves and those around us.
- **HONESTY** is the basis for all relationships and interactions.
- **RESPECT** each other and the environment.
- People are **RESPONSIBLE** for their actions.

We take great pride in joining you in guiding your children to become successful and happy individuals who are learning to independently get along with others. We work towards this goal through the following:

- ~ **Role Modeling:** Effectively exemplifying good qualities needed for acceptance in a group.
- ~ **Positive Reinforcement:** To encourage repetition of good behavior.
- ~ **Redirection:** Removing a child from a negative situation and involving the child in a more acceptable positive activity. If deemed necessary for the safety of your child and others, the YMCA staff have permission to restrain and/or physically remove a child from an unsafe situation. Parents will be notified if this circumstance occurs.
- ~ **Re-enforcing Problem-solving Skills:** Such as predicting consequences, settling disagreements without aggressiveness, and thinking about the feelings of others.
- ~ **Logical Consequences:** The removal of privileges when appropriate.
- ~ **No corporal punishment is allowed.**

When and if these procedures do not result in a positive change of behavior, suspension of the child may occur. With these positive working strategies, the child is hopefully able to realize that negative behavior is ultimately non-productive. The safety of all enrolled children is our primary goal. Extreme behavior problems may require individualized behavior contracts, meetings with parents, suspension and/or alternative placement. Disciplinary incidents are documented and may be shared with appropriate School District personnel depending on the severity of the incident.

## **HEALTH, MEDICATION, & ACCIDENT POLICIES**

It is our intention to prevent the spread of infections and illness to other children. If the staff becomes aware of a condition involving a child who may be contagious or unhealthy to any of the other participants, it will be brought to the parent's attention and the child must be taken home and may not return to the program until symptom free for at least 24 hours. Children cannot attend if they are ill or if they were absent during the school day; you must make alternate arrangements for child care.

### **MEDICAL / EMERGENCY PROCEDURE**

(Parents will be notified immediately for any and all head injuries.)

1. Minor Injuries :
  - a. Staff will administer the necessary first aid and notify parents when they pick up the child from child care.
  - b. If the staff member is in doubt of the seriousness of the injury, the parents will be notified for further instructions.
2. Serious Injuries:
  - a. One staff member will call for an ambulance and then make contact with parents or other authorized person.
  - b. A second staff member will administer whatever first aid possible until the ambulance arrives.
3. You will be notified in writing of any injury through an accident report.

**Mandated reporters:** If staff suspects that a child is being abused in any way (physically, sexually, emotionally), we are required by the state of California, Education Code # 11166, to file a report with Child Protective Services. We are not required to notify the parent or guardian prior to, or after, the report has been made.

## **PICK UP POLICY**

**Always have photo identification with you. Be prepared to show your ID at any time.** For your child's safety, it is required that each person authorized to pick up your child from child care must be 18 years or older and be listed on the enrollment form. We do NOT release your child into the care of anyone, who is not authorized, without contacting you first. We will ask for identification of all newly authorized persons and any authorized person who is unfamiliar to the staff on duty. Parents are to walk their children into the classroom and sign them in upon arrival and out upon leaving. (On school days, children coming directly from school dismissal will be signed in by child care staff.)

**Children must be picked up by 6:00pm.** Pick up times for segments enrolled are strictly enforced. Parents are strongly encouraged to arrange their schedules so that their children will leave during the hours contracted. Failure to adhere to this request will result in a \$1 per minute late pick-up fee.

### **Court Orders/Custody Issues:**

State law mandates that a child must be released to either parent regardless of custody arrangements. The ONLY exception is when a current court order stating a parent may not have custody at all is in our possession. If there are no court papers stating otherwise, either parent may send a representative to pick up the child.

### **Concerns for Safety:**

The YMCA is concerned for the safety of every child in the program. If the YMCA staff has reason for concern regarding the safety of a child's release to a parent or other adult, the staff may call the police. Cause for this course of action includes:

1. Parent/Adult suspected "under the influence" of drugs or alcohol.
2. Parent/Adult is abusive or threatening to child or staff.

If deemed necessary for the safety of your child and others, the YMCA staff have permission to restrain and/or physically remove a child from an unsafe situation. Parents will be notified if this circumstance occurs.
