Book Club

Raising A Reader project funded by *First 5 Shasta* and
The McConnell Foundation

The YMCA is excited about our *Raising A Reader* children's program. We welcome toddlers and preschoolers (ages 2-5), along with their parents to participate in this book-lending club encouraging early literacy development. It is a safe, nurturing environment where your children have the opportunity to participate in story time, fun activities, and a weekly book bag exchange.
