BEST SUMMER EVER – Youth Development Giving Opportunities

May 1 – July 1 Join us this summer in providing opportunities for youth to have their **BEST SUMMER EVER!**

Camp McCumber

For over 50 years, YMCA Camp McCumber Resident Camp has been a summer staple for North State youth. At YMCA Camp McCumber, we make sure youth have opportunities for positive growth and development. We do this through an outdoor environment that is safe and educational, with activities that will promote youth learning respect for their fellow campers, for their own abilities, and for nature. There are activities that will reach everyone's interests, such as canoeing, fishing, arts and crafts, sports, archery, cabin-bonding, day hikes, campfire, water fun, and more. Here at the Y, we are honored to be able to offer a place for young people in the community to call home for a week. Last year we hosted 219 campers and 48 Counselors-in-Training.

Summer Day Camp

We know not all parents get time off when their children are on school break, but the Y has parents of our community covered. We offer day camps all summer long. While parents are taking care of business, they can be assured their children are engaged, safe, and having fun. Day camp at the Y is led by experienced staff and offers nearly all the benefits of overnight camp – new outdoor experiences, skill-building and lasting friendships – while allowing campers to return home each afternoon. Last summer, 178 youth participants experienced the joys of Summer Day Camp.

1st Grade Learn to Swim

Water Safety is an urgent safety and social issue that continues to face local youth today. Back this year, the Y is spearheading drowning prevention efforts in our community through our First Grade Learn to Swim program. This program partners with local school districts to bring first graders throughout the community to the YMCA to learn swimming and water safety skills at no cost. Our swim lessons are about more than just the techniques and skills. They are about nurturing swimming skills, developing self-esteem and creating positive experiences that will last a lifetime.

\$50

Gives a child the chance to learn how to swim.

\$150

BEST SUMMER EVER

Battle for Change

Any change matters and no change is too small! Join us as we make a change in our community by joining us in a **BATTLE FOR CHANGE!** Choose a team, help fill the jug to the fullest, and see who emerges the winner! All amounts raised will go directly to providing summer programming opportunities for youth in our community to have their **BEST SUMMER EVER!**

The competition begins Monday, May 1st, and ends on May 18th. Staff, visitors, and members alike have as many opportunities as they wish to add to the designated change team of their choice. Stop by the front desk to join in on the battle and find out more about helping youth discover their **BEST SUMMER EVER!**
