FAQ

How To Join:

Contact the Aquatics Department and schedule a swim evaluation for your child,
Monday - Thursday at 3:30pm.

Does my child have to compete in all of the meets?

You can pick and choose which meets you want to attend or attend no meets at all!

Does my child have to get their own gear?

We will provide you a team cap for \$15. Each swimmer will need to purchase their own fins, paddles, snorkel, buoy, goggles and an equipment bag.

What if I want to swim for the Sharks and my high school swim team?

We support swimmers who want to play sports for their school! There is a special rate for high schoolers who wish to join Sharks and their high school, for August through October will be \$167.00.

Activities for high schoolers before practice:

There are plenty of activities Seniors can do while they wait for practice to begin! If you are over 15, apply to work for the Aquatics Department! You can also check out YClub, or we offer a study club!
